

NEAOBA  
FALL ALPACA SHOWS  
Nov 20-21, 2021

# Welcome!

Welcome all members and attendees to the 2021 Green Mountain Show & New England Coastal Classic! Without the support of our members and the farms who attend, we would not be able to host such a successful event.

The planning for next year's show starts immediately at the close of this weekend, and it takes the hard work and dedication of many to get it done. No one person can accomplish this alone. There have been numerous hours spent behind the scenes by the NE-ABOA Board and volunteers to make this successful. We, as the show coordinators, work hard to be innovative while trying to keep costs reasonable. We introduce new concepts when possible and enjoy hearing your feedback so we can improve for the next show.

I would like to thank everyone who helped all year to make this happen and to thank all the attendees who come the show. Without you, there would be no show.

*Lennie Foss*
