### **Old Business:**

#### **Showtacular:**

Possibly made money or at least broke even, still waiting for final dollar count

Only half the building was rented to save money

Two vendors, NEAFP and Red Maple were present. Fashion Forum, Classic Alpaca and Peruvian Link did not come to showtacular this year.

Still going through numbers and waiting for ribbons. Ribbons come from Canada and with Canadian Postal Service on strike it delayed the ribbon delivery.

Discussion about 2025 shows

Virginia show numbers were lower than Showtacular numbers.

Second weekend in April Railsplitter, in Illinois, MAPACA in Maryland, and Virginia three shows in one weekend, Virginia had no panels while MAPACA has panels

### **Summerfest**

Keith will be sending in for 2025 to hold the date and location
